Each of the above-identified inventors declares:

I believe that I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "Encapsulated Material Released To Generate Perceivable Sensorial Indicia Of Discrete Event Occurrence" the specification and the preliminary amendment of which are attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. §1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim the benefit of priority under 35 U.S.C. §120 of any application for patent filed in the United States, or under 35 U.S.C. §363 and §365(c) of any international application designating the United States of America, listed below:

-International Patent Cooperation Treaty Application No. PCT/US03/39472, filed December 10, 2003; and

-United States Provisional Patent Application No. 60/432,471, filed December 10, 2002.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001 and that such

**Rec'd PCT/PTO 10 JUN 2005**
